Task Sheet No. 2:
ANNOTATED DAILY LESSON LOG

INSTRUCTION:

Obtain a copy of the Daily Lesson Log (DLL) created by your Cooperating Teacher (CT) for the week's teaching period. Using the DepEd issued Budget of Work (BOW) or Most Essential Learning Competencies (MELC), whichever is applicable, as your reference, analyze and annotate the DLL to determine how the planned lesson aligns with the prescribed competencies, learning outcomes, content, activities, assessment, and time allotment.

Procedures:

1. Request a copy of the Cooperating Teacher's DLL. Take note, you are going to annotate the said copy, and you are not allowed to modify the original content of the DLL.
2. Review the Budget of Work (BOW) or the Most Essential Learning Competencies (MELC). Highlight the competency/topic covered by the DLL.
3. Examine the different components of the DLL, based on the topics discussed in this Module 2.
4. Add brief annotations (handwritten) to the copy of the Cooperating Teacher's DLL. Your annotations should explain your observations about the DLL and its alignment with the Budget of Work (BoW) or Most Essential Learning Competencies (MELCs).
5. Use the guide questions below to help you with your annotations.

Guide Questions:

a. Are the learning competencies, content standards, and performance standards based on the official budget of work or MELCS?

b. Are the activities/strategies and assessment aligned with the objectives for the day?

c. What are the resources, activities, and assessment used by your cooperating teacher to ensure that at the end of session, the students were able to meet the expected performance standards?

d. What are the interventions used by the cooperating teacher to ensure inclusivity was achieved?

Note: The submitted output should be supported by the Bow or MELCs as your attachment.

RUBRIC FOR GRADING:

CRITERIA	EXCELLENT	PROFICIENT	DEVELOPING	BEGINNING
Quality of Annotations **50%**	Annotations are specific, insightful, evidence-based, and clearly explain instructional decisions and observations. ✓	Annotations are clear and relevant but lack depth in some areas.	Annotations are general and provide limited analysis.	Annotations are minimal, unclear, or absent.
Analysis of Teaching-Learning Components **20%**	Critically analyzes objectives, strategies, resources, activities, assessment, and learner engagement with appropriate justification. ✓	Adequately analyzes most components with reasonable justification.	Provides basic analysis of some components with limited justification.	Provides little meaningful analysis.
Completeness, Organization, and Presentation **20%**	The annotations and reflection are complete, well-organized, readable, and professionally presented. ✓	Requirements are complete with minor organizational or presentation issues.	Some requirements are incomplete or presentation needs improvement.	Several requirements are missing or poorly organized.
Timeliness of Submission **10%**	Submitted on or before the deadline. ✓	Submitted within 1 day after the deadline.	Submitted 2–3 days after the deadline.	Submitted more than 3 days after the deadline.

Learning Area	Business 1				
Term / Week	Term 2 | Week 3(September 28-October 2,2026)				
Grade Level and Section	Grade 11- ZOBEL				
Day and Time	M-12:00-1:00, T-TH-12:00-2:00,F-1:00-2:00				
Teacher	Anna Lyn L. Ayeras				
No. of Sessions	**Session 1**	**Session 2**	**Session 3**	**Session 4**	**Session 5**
References	Grade 11/12 Strengthened Senior High School Lesson Exemplar (Business 1-Basic Accounting 1) ; DepEd FABM 1 Curriculum Guide, Basic Accounting Textbooks.				
Declaration of AI use *- Cite how AI was used in the formulation of the lesson plan.* *See DO 3, 2026 Annex A.*	AI was used for activity planning, research support, and reviewing the clarity, accuracy, and alignment of the lesson. The teacher remains responsible for contextualizing, validating, and delivering the final lesson based on learners' needs, language, and classroom realities.				
Intentions	Session 1 will help learners identify and understand basic Functions of Accounting	Session 2 will help learners identify and understand basic Functions of Accounting	Session 4 will help learners understand Branches of Accounting	Session 4 will help learners understand Branches of Accounting	Session 5 will help learners understand the Users of Accounting Information
Learning Competency and Curriculum Standards- *Write the competency/ies from the curriculum that we are targeting, and the content or performance standards applicable to the sessions.*	Content Standards: The learners demonstrate an understanding of the definition, nature, function, and history of accounting, as well as the different branche of accounting and their corresponding services. Performance Standards: The learners shall be able to cite specific examples of business transactions and identify the appropriate branch of accounting and services rendered. Learning Competency: ⍰ Discuss the nature and functions of accounting. ⍰ Enumerate the branches of accounting and the services they offer. And Discuss the Users of Accounting information				
Learning Objectives *- Write the smaller knowledge, skills, or tasks from the competency that the learners will work on and be able to show by the end of the sessions.*	At the end of the session, learners are expected to: Define accounting and explain its core nature and functions in enterprise operations	At the end of the session, learners are expected to: Define accounting and explain its core nature and functions in enterprise operations	At the end of the session, learners are expected to: Identify the primary branches of accounting and classify their specialized services.	At the end of the session, learners are expected to: Differentiate the primary branches of accounting and classify their specialized services.	At the end of the session, learners are expected to: Identify and Discuss the Use of Accounting Information

Covers introductory accounting topics listed under competency 1.

Sessions with same intentions and objectives to allot enough time for topics.

Emphasizes foundational understanding of accounting's nature, functions, history, and branches.

Connects accounting branches and service to specific business situations.

Targets the curriculum content on accounting functions, branches, services, and users.

make conceptual understanding observable

Target distinctions among branches and services

Learner Context - Write your observations of your learners, and how they have been performing or responding to learning experiences recently. Include strengths, interests, and possible barriers to learning	Learners are familiar with basic Accounting so they can share ideas as well as their personal experiences about how to manage their savings and expenses everyday. Some learners respond well to collaborative tasks, visual examples, and real-life community situations. ← uses real life context / experiences as starting points to discuss accounting concepts. Possible barriers include limited knowledge about how accounting works in our economy and it may help achieve goals; and what are the things need to consider in achieving the goals with the help of Accounting.				
Learning Experience	Learners great experience in accounting goes beyond charts and money; it builds practical framework for how you make decisions and understand global economic policies				
Pre-Lesson - Describe how you will help the learners get ready for the lesson.	Mind-Mapping: The teacher posts the topic Functions of Accounting Learners will write what they know on their notebook. The teacher connects related ideas with them Reveals prior knowledge & misconceptions in accounting.	Group Yourself : The teacher uses an icebreaker where learners group themselves according to friends. The activity introduces how people can be grouped according to who they want to be with.	Warm-Up: Learners recall principles of accounting The teacher asks: Give one function of accounting and explain briefly. Recalls topics learned from previous lessons.	Recall and Rate: The teacher asks volunteers to share an idea learned from functions and branches of accounting.	Recall and Rate: Learners review the three learning competencies and shade a star rating for their level of knowledge and skill. The teacher asks volunteers to share one idea learned from fundamental concepts of accounting goal and business decision making
Flow - Describe the activities that you can implement in 1 or more sessions to meet the learning objectives. Apply the Learning Design Principles by thinking about how to: - make the objectives clear for the learners - guide learners before letting them try the task on their own	**Engagement:** Present a messy pile of random store receipts. Ask: *"How do we make sense of this chaos?"* **Discussion:** Define accounting (AICPA definition). Discuss why it is considered a process, an art, and an information system. **Social Learning:** In pairs, students group the receipts into logical categories (sales vs. expenses). makes classification more concrete.	**Activation:** Review the definition from Day 1. **Discussion:** Introduce the phases: *Identifying, Measuring, Recording, Classifying, Summarizing, and Communicating.* **Guided Practice:** Provide a simple narrative of a student's business (e.g., selling baked goods). Walk through how each phase applies to their day-to-day operations. models all six accounting phases with one real life business situation	**Engagement:** Display an image of ancient clay tokens and modern cloud accounting software. **Discussion:** Map out the historical timeline: Mesopotamian records, Luca Pacioli's 1494 double-entry breakthrough (*Summa de Arithmetica*), and the impact of the Industrial Revolution. **Active Retrieval:** Students create a 4-stamp visual comic strip detailing how keeping records evolved over centuries. directly addresses the curriculum's history of accounting topic.	**Activation:** Discuss how a large company needs more than basic record-keeping. **Discussion:** Explicitly map out the distinct branches: Financial, Management, Cost, Auditing, Tax, and Government accounting. **Scaffolding:** Use a matrix to contrast *Financial Accounting* (for external users) vs. *Management Accounting* (for internal users).	**Collaborative Challenge:** Group business scenario simulation. **Task:** Distribute 5 real-world case cards to student groups (e.g., *"An enterprise needs its tax returns filed"* or *"A factory needs to calculate production costs"*). **Presentation:** Groups must defend which branch applies to their cards. Require students to justify their chosen branch.

- check the state of the learners' well-being, understanding, and mastery over the lesson - connect today's new concepts to past competencies - encourage collaboration among learners- invite learners to reflect on why this matters to them- ensure inclusion for learners' varied abilities, learning styles, and contexts	guide for teachers				
Learning Resources - List down the learning resources that will help you reach your objectives. Ensure that they are available and inclusive. - Include options and alternatives in case of emergencies	marker, board , sample pictures, worksheets, laptop and tv. helps students to visualize the topics	marker, board , sample pictures, work sheets, laptop and tv. → provides practice and recall for students.	SWOT analysis template, markers, manila paper, , and work sheet on brainstorming techniques.	Learners' worksheets or portfolio outputs, board or projector, laptop and tv	Learners' worksheets or portfolio outputs, board or projector,laptop and tv
Opportunities for integration - Write down any possibilities to meaningfully another learning area, special topic, or technology. Write N/A if none integration of other subject used in the session.	Entrepreneurship: connecting with business decisions ideas Mathematics/ Accounting: History of accounting. ICT: using laptop and tv English: organizing and presenting concepts.	Entrepreneurship: connecting with business decisions ideas Mathematics/ Accounting: History of accounting. ICT: using laptop and tv English: organizing and presenting concepts.	Entrepreneurship: connecting with business decisions ideas Mathematics/ Accounting: History of accounting. ICT: using laptop and tv .English: organizing and presenting concepts.	Entrepreneurship: connecting with business decisions ideas Mathematics/ Accounting: History of accounting. ICT: using laptop and tv English: organizing and presenting concepts.	Entrepreneurship: connecting with business decisions ideas Mathematics/ Accounting: History of accounting. ICT: using laptop and tv English: organizing and presenting concepts.
Assessment	Learners' understanding of accounting, fundamental concepts , economic goals and decision making will be assessed through group outputs, oral explanations, short written responses, and a quick formative quiz. Evidence will focus on accuracy of concepts, relevance to the local context, practicality of ideas, and ability to justify decisions.				

collects evidence through group work, oral explanations and written answers provides opportunity to use and improve other skills.

Formative Assessment - Create a task, activity or questions to evaluate learning and provide feedback every now and then. Include ways for learners to ask for guidance or support throughout each session.- Remember to provide appropriate accommodations so all learners can demonstrate their understanding (e.g., varied response formats, small group options, visual or auditory supports	Entry tickets defining accounting in the student's own words. ↓ checks the understanding of the student through their own words.	Entry tickets defining accounting in the student's own words and explain briefly.	Timeline checkpoint peer reviews. provides an opportunity to correct historical inaccuracy through peers.	Quick matching check on branches and services. Assesses the classification of branches & services.	**(Quiz):** 1. Who is considered the Father of Accounting? *(Luca Pacioli)* 2. Which branch prepares reports intended for intern managers? *(Management Accounting)* 3. What phase involve sorting transaction into specific ledger categories? *(Classifying)* 4. Which branch ensures a company financial statement fairly match regulations? *(Auditing)* 5. Why is accounting termed the "language of business"? *(It communicates financial informatio for economic decision-making).* quiz for assessm and recall of topic
Ways Forward					
Extended learning opportunities- Suggest other learning experiences outside the classroom/class hours that	**Extended Learning Opportunities:** Students are tasked to find a local sari-sari store or small family business.	**Extended Learning Opportunities:** Students are tasked to find a local sari-sari store or small family business.	**Remediation Plan:** Peer-tutoring sessions utilizing matching flashcards for students struggling to	**Remediation Plan:** Peer-tutoring sessions utilizing matching flashcards for students struggling to ← provides additional support for students struggling.	

Transfers learned knowledge through real-life context and actual

earners may want to access to inforce what they have learned, spark their curiosities further, or that may provide them support in their areas of difficulty.	They will briefly ask the owner how they keep track of daily cash flows and note which accounting function is present.	They will briefly ask the owner how they keep track of daily cash flows and note which accounting function is present.	differentiate the accounting branches.	differentiate the accounting branches.	Remediation plan still focuses on targeting the learning competency
Reflections- Think about what ou need to change for the next ssion based on what happened today. Is there something the learners are interested in ploring?- Are there some things u would like to share with your o-teachers, parents, or school eaders about your classroom perience? What would you like our instructional coach to help you with?	learners were able to define accounting as well as the fundamental concepts but still it is needed to be explain to them to have a broad knowledge about economics.	Learners enjoyed sharing their ideas about principles of accounting. I think giving them time to have an exchanging ideas makes them more motivated in the class.	The classification activity showed which learners can apply segmentation independently. I will use quiz results and portfolio reflections to plan remediation, enrichment, and possible follow-up business planning activities.	The classification activity showed which learners can apply segmentation independently. I will use quiz results and portfolio reflections to plan remediation, enrichment, and possible follow-up business planning activities.

Form No. 1
WEEKLY MENTORING FORM

Name of Pre-service Teacher	Kimberlie Crissel F. Porteria
Program/Section	Bachelor of Technical-Vocational Teacher Education Major in Computer Programming
Name of Cooperating School	Pres. Diosdado Macapagal High School
Name of Cooperating Teacher	Anna Lyn L. Ayeras
Date Accomplished	October 7, 2024
Mentoring Session No.	1

A. OUTPUT/ACTIVITY EVALUATION AND COMMENTS

INSTRUCTION: Kindly provide comments or suggestions and indicate the total score on the activity accomplished by your assigned pre-service teacher for the week. The pre-service teacher shall review the feedback and use it as a basis for reflection and continuous improvement.

Strength/s

- Action Research Data Bank clearly identifies the concern and provides an adequate explanation of it's possible causes, solution of effects.
- Creativity; creates highly engaging, visually appealing power point presentation that successfully capture students' interest.
- DLL Annotations are specific, insightful, evidenced based and clearly explain instructional decisions and observations

Weakness/es

- Content of talk sheet are incomplete.

Suggestion/s

-

Criteria-based Score

B. PRE-SERVICE TEACHER'S EVALUATION AND COMMENTS

INSTRUCTION: Evaluate the pre-service teacher's demonstrated skills in each area based on actual performance during the Field Study experience. Place a check mark (✓) under the rating that best describes the level of skill demonstrated.

5 – Extremely Skilled - Demonstrates the skill consistently, independently, accurately, and effectively. Performs beyond the expected level with confidence and initiative.
4 – Moderately Skilled - Demonstrates the skill effectively and consistently with minimal guidance. Meets the expected level of performance.
3 – Developing - Demonstrates the basic skill adequately but may require occasional guidance, practice, or improvement.
2 – Needs Improvement -Demonstrates limited skill and requires frequent guidance, supervision, and practice to perform the task appropriately.
1 – Not Skilled at all - Demonstrates minimal or no evidence of the skill and requires substantial guidance and support.

MAINTAINING EFFECTIVE COMMUNICATION	5	4	3	2	1
Active listening	√				
Receiving constructive feedback	√				
Establishing a relationship based on trust	√				
Identifying and accommodating different communication styles	√				
Employing strategies to improve communication with cooperating teacher	√				
Helping the cooperating teacher coordinate effectively with other cooperating teachers	√

Acquiring resources	√				
TOTAL SCORE	/ 20				

C. PRE-SERVICE TEACHER'S EVALUATION AND COMMENTS

INSTRUCTION: Kindly provide comments or suggestions on the performance of the pre-service teacher as a basis for reflection and continuous improvement.

Strength/s

She establishes a warm, positive and inclusive classroom environment. She can work with minimal supervision. Demonstrates an exceptional attitude toward feedback and implement suggestions immediately

Weakness/es

- Hesitation in Assisting Critic Teacher due to adjustment period.

Suggestions

Keep a daily reflection journal. Write down every lesson you have learned as well as lesson aspect that you feel failed. So that you may look for some perspective things that may help you succeed.

BUSINESS 1
(BASIC ACCOUNTING)

ACADEMIC

Grade 11/12

Curriculum Guide

BUSINESS 1
(BASIC ACCOUNTING)
Prerequisite: None

Course Description:

This course provides learners with a comprehensive understanding and analysis of the fundamental principles and concepts of accounting. It covers key topics such as the Accounting Cycle of a Service Business and a Merchandising Business and application of accounting concepts in real-world business scenarios.

Elective: Academic
Time Allotment: 80 hours for one term

Content Standards

- The learners demonstrate understanding of the fundamental concepts and principles of accounting and accounting for service business.
- The learners demonstrate understanding of concepts and principles of accounting for merchandising business.

Performance Standards

- The learners analyze key accounting functions and principles relevant to real enterprise operations such as type of business, books of accounts used, and accounting process methodology.
- The learners complete the practice sets following the accounting cycle for merchandising business using the perpetual and the periodic methods.

Learning Competencies	Content
Introduction to Accounting for Service Business	
1. Discuss the nature, history and branches of accounting and its offered services	Introduction to Accounting ● Meaning, nature and functions of accounting ● History of accounting ● Branches of accounting and its services Users of Accounting Information ● Internal ● External
2. Explain the basic accounting framework	Basic Accounting Concepts and Principles Introduction to the Generally Accepted Accounting Principles (GAAP) and Philippine Financial Reporting Standards (PFRS)
3. Distinguish the five major accounts and their classifications	Types of Major Accounts ● Assets ● Liabilities ● Owner's Equity ● Income ● Expenses
	Classification of Accounts ● Nominal accounts ● Real accounts
4. Analyze simple business transactions following the rules of debit and credit	The Accounting Equation Types of Business Transactions in a Service Business

Learning Competencies	Content
	Rules of Debits and Credits using T-accounts
5. Distinguish the book of accounts	Books of Accounts ● General Journal ● General Ledger ● Subsidiary Ledgers ● Cash Receipt Journal ● Cash Disbursement Journal ● Sales Journal ● Purchase Journal
6. Discuss Balance Sheet as a Financial Statement	Accounting Worksheets for: ● Income Statement ● Statement of Changes in Owner's Equity ● Balance Sheet ● Statement of Cash Flow
7. Analyze service business transactions and the required source documents	Accounting Cycle of a Service Business 1. Identify the transaction and events 2. Analyze the nature of the transactions and events 3. Journalize transactions using the general and special journals namely: sales journal, purchase journal, cash receipts journal and cash payments journal 4. Post to the ledger named as general and subsidiary ledgers 5. Prepare unadjusted trial balance 6. Prepare adjusting entries 7. Prepare adjusted trial balance 8. Prepare accounting worksheet

Learning Competencies	Content
	9. Prepare financial statements a. Income Statement b. Statement of Changes in Owner's Equity c. Balance Sheet d. Statement of Cash flow 10. Prepare closing entries of nominal accounts 11. Prepare post-closing trial balance 12. Prepare reversing entries
Accounting Cycle for a Merchandising Business using the Perpetual and Periodic Methods	
8. Discuss merchandising business transactions and the required source documents using the perpetual and periodic methods 9. Explain shipping and delivery terms using the perpetual and periodic methods	**Introduction to Merchandising Business** ● Nature of merchandising business ● Source documents for merchandising business Shipping and payment terms
10. Prepare complete accounting worksheets following a record of transactions in the merchandising business using the perpetual method and periodic method	**Accounting Cycle of a Merchandising Business** 1. Identify the transaction and events 2. Analyze the nature of the transactions and events 3. Journalize transactions using the general and special journals namely: sales journal, purchase journal, cash receipts journal and cash payments journal 4. Post to the ledger named as general and subsidiary ledgers 5. Prepare unadjusted trial balance 6. Prepare adjusting entries 7. Prepare adjusted trial balance 8. Prepare accounting worksheet

Learning Competencies	Content
	9. Prepare financial statements a. Income Statement b. Statement of Changes in Owner's Equity c. Balance Sheet d. Statement of Cash Flow 10. Prepare closing entries of nominal accounts 11. Prepare post-closing trial balance 12. Prepare reversing entries
11. Present a complete accounting practice set following the fundamental accounting cycle	Accounting Practice Set
